Birohar (Jhajjar)

## 1. Alternate sources of energy and energy conservation measures

Facilities	Initiatives
Alternate sources of energy and energy conservation measures	<p>1 Energy conservation measures:</p> <ul style="list-style-type: none"><li>A. CFL lights are being replaced by LED lights throughout the College campus</li><li>B. Energy saving electric and electronic appliances are being used in the college campus</li><li>C. Awareness Campaigns: Informative posters have been strategically placed near switchboards, reminding students and staff to turn off lights, fans, and other electrical appliances when not in use. This awareness initiative encourages responsible energy usage.</li><li>D. Regular Maintenance and Monitoring: A proactive approach to maintenance ensures that all electrical systems are functioning optimally. Regular monitoring and audit of energy usage patterns helps identify areas for further improvement and encourages energy-conscious behaviour.</li></ul>
